I understand that, but please let us know if you intend to initiate steps to remove the filed version of the Settlement Agreement from the docket since filing it in the public record is a breach of confidentiality provision of the agreement.

Dear Mr. McKelvey,

As a pro se litigant, I do not have access to electronic filing systems, and all documents must be prepared and mailed manually. Without the resources of legal counsel, the process of preparing documents and ensuring they meet court standards takes longer for me than for a trained professional. Given these limitations, the three business days you require for compliance is an unfair expectation.

Sincerely,

Cynthia B. Avens
